About *Sails*. *Sails* presents a world of sailing with a selection of only the best racing and cruising content each issue. Featuring interviews with the world's best sailors, boat reviews, cruising articles, coaching tutorials from the pros and top quality features by leading yachting writers from across the globe, whether our readers sail a sabot or a superyacht, *Sails* magazine has them covered.

Overview

DISTRIBUTION

Sails is widely circulated in Australia and New Zealand through newsagencies, and is also distributed at key boating events such as the Sydney, Sanctuary Cove and Auckland boat shows. *Sails* also circulates at numerous races and regattas including the Sydney Harbour Regatta, Airlie Beach and Audi Hamilton Island Race Weeks, the Rolex Sydney Hobart Yacht Race, and New Zealand's Millennium Cup and Volvo Ocean Race Stopover – to mention a few.

PUBLISHER BACKGROUND

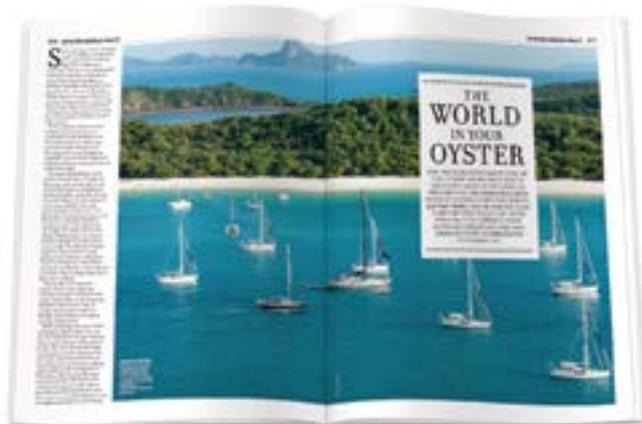

Sails is published by Ocean Media, specialising in high quality boating magazines including *Ocean*, Australia's leading luxury boating lifestyle title exclusively for yachts over \$1 million. Ocean Media also publishes *Offshore Yachting* for The Cruising Yacht Club – included in *Sails* magazine – *The Great Southern Route* superyacht cruising guide, the Yachting Australia 'Blue Book' *Racing Rules of Sailing* and custom projects including past programs for Audi Hamilton Island Race Week, Sydney Harbour Regatta and Sail Port Stephens. Published bimonthly, *Sails* is a premium quality magazine with a high standard of graphic design, innovative feature content and stunning photography, presenting all the colour and excitement of the world's most enviable

sport in spectacular fidelity. From exclusive coverage of the pinnacle racing events such as the America's Cup, Volvo and Clipper Round the World ocean races and the Rolex Sydney Hobart, to cruising features that transport readers to exotic locations, *Sails* will entice cruisers and racers, both young and old.

OFFSHORE YACHTING

Sails draws on some 45 years of offshore racing magazine expertise from its sister publication *Offshore Yachting*, the official journal of Australia's most prestigious bluewater racing yacht club, the Cruising Yacht Club of Australia (CYCA), and home of the Rolex Sydney Hobart Yacht Race. Each regular issue of *Sails* includes the core ocean racing feature content from *Offshore Yachting*, and the Rolex Sydney Hobart special editions include the Official Program (Dec/Jan) and a comprehensive wrap up (Feb/Mar) of the great race south.

Content. With a broad editorial scope, *Sails* is a one-stop-shop for sailing enthusiasts of all stripes. Every issue covers the full gamut of sailing sport and lifestyle content in one premium quality volume: from coastal cruising to bluewater racing, whether monohulls, multihulls or moths.
